Dear Parents,

The Parents Association would like to thank the school community for your support during the term. It's been a fantastic start, and none of it would have been possible without your involvement and generosity.

Our back to school coffee morning was a wonderful success, and we are so grateful to all who joined us for a chat and a cup of coffee. It was a great chance to connect with fellow parents and strengthen our school community. We will run further coffee mornings in term 2 and 3 so keep an eye out for details.

A huge thank you to everyone who attended and supported our fashion event! The final amount raised was €3,300 and the funds raised will go a long way in supporting our school's initiatives and providing our children with even more opportunities.

We also appreciate the response to our Christmas card initiative. The final amount raised was €408!

We are excited about the progress we've made and we look forward to all the great things to come for the rest of the year. Your continued support means so much to the PA, the school, and most importantly, the children.

Thank you once again!

Yours sincerely,

Parents Association.
